Then COVID hit us all in 2020...

ECIR2020 was the first ever 100% virtual conference in Information Retrieval :)
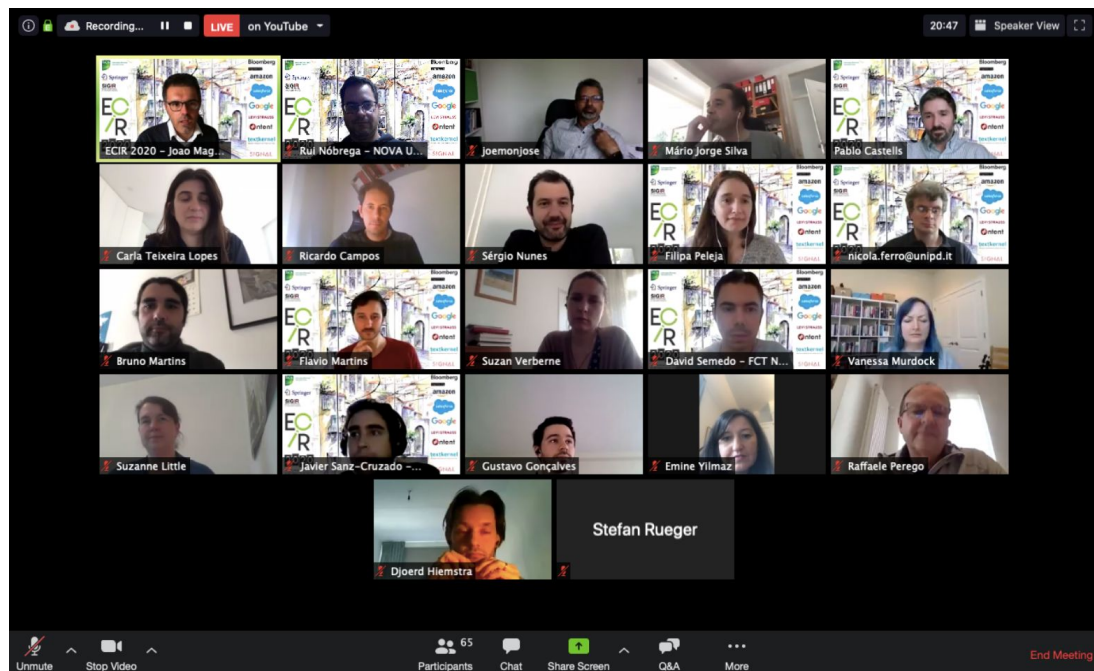

ESSIR is back!

After a one year absence due to COVID, ESSIR is now back in 2022!

The scientific program offers a strong coverage of foundations and is also extremely forward looking.

Last, but not least, we were able to offer a very low cost registration fee, thanks to our generous sponsors.

A big thank you to all our sponsors!
